Regency Kitchens

A must-have collection combining true style and the latest innovations

Do you wish your kitchen range was the envy of other developers?

Regency Kitchens' range reflects its prediction of the importance of **colours, curves and no handles**, and the need to ensure the kitchen is part of the living space.

These **sleek and distinctive** new kitchen designs create a **bold fashion statement**. The rich honey, the distinctive slate, the elegant aubergine, the smart white, the dazzling cream and the desirable gloss plumwood are all available now at Regency Kitchens!
