

# WISH YOU WERE HERE

**REGENCY**  
*kitchens of distinction*

**Regency Kitchens**  
Quality comes from within

# Do you wish your kitchen supplier was Regency Kitchens?

Regency Kitchens is an **established first choice supplier** that provides a dedicated and professional service to private developers.

Its **unique service package** provides greater flexibility and can be tailor-made to suit your requirements.

Regular monitoring and a process of continuous improvement guarantees Regency Kitchens maintains its **superior quality standards** and **excellent customer service**.

Using **global resources**, Regency Kitchens monitors lifestyle and product trends, culminating in an annual trends forecast. This forecast enables Regency Kitchens to **remain at the vanguard of product development**.

Regency Kitchens' range reflects its prediction of the **importance of colours, curves and no handles**, and the need to ensure the kitchen is part of the living space.

Regency Kitchens' Environmental Policy ensures **continuous improvement** of the company's **environmental performance**, reducing its potential impact.
